AGM Statement

Strong H1 performance with new confirmed orders

MediaZest plc (AIM: MDZ), the creative audio-visual solutions provider, provides an update to shareholders ahead of its Annual General Meeting (“AGM”) to be held at Unit 9, Woking Business Park, Albert Drive, Woking, GU21 5JY at 11:00 a.m. today.

As announced in the [Full Year Results](#) earlier in the month, MediaZest experienced a notable uptick in activity in the final quarter of its last financial year (FY23 ended 30 September 2023). Ongoing long term project roll outs with existing customers have continued into FY24 as expected, with new projects confirmed with Pets at Home and Lululemon in the UK, a first LED installation for Arc'Teryx at its London Flagship store, and further orders secured with a large global automotive client in Europe.

Market demand and pitch opportunities from new potential clients across the three core sectors in which the Company specialises (retail, automotive and corporate offices) have seen a notable rise in the first half of the current financial year, which bodes well for encouraging performance across FY24 as a whole.

The Board is confident in MediaZest’s ability to deliver year-on-year growth, alongside targeting a return to profitability, and remains positive about the Group’s future potential.

Investor presentation
